Happy download How Do We Look: The Body, the Divine, and the Question of Civilization for free!

Conceived as a gorgeously illustrated accompaniment to *How Do We Look* and *The Eye of Faith*, the famed *Civilisations* shows on PBS, renowned classicist Mary Beard has created this elegant volume on how we have looked at art. Focusing in Part I on the Olmec heads of early Mesoamerica, the colossal statues of the pharaoh Amenhotep III, and the nudes of classical Greece, Beard explores the power, hierarchy, and gender politics of the art of the ancient world, and explains how it came to define the so-called civilized world. In Part II, Beard chronicles some of the most breathtaking religious imagery ever made—whether at Angkor Wat, Ravenna, Venice, or in the art of Jewish and Islamic calligraphers—to show how all religions, ancient and modern, have faced irreconcilable problems in trying to picture the divine. With this classic volume, Beard redefines the Western—and male-centric legacies of Ernst Gombrich and Kenneth Clark.
